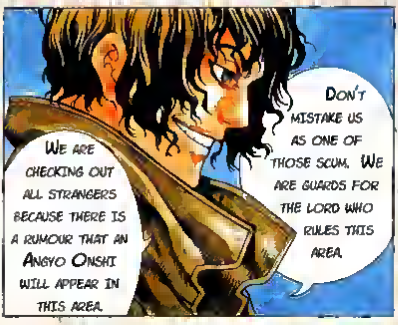
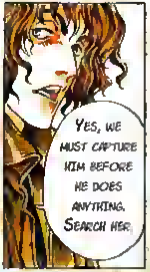
WHAT HAPPENED TO THIS VILLAGE?
Hey, you!
WERE THEY ATTACKED BY THIEVES?
HUH...?
WHO ARE YOU PEOPLE?
IF you are, we will have to search you.
This is the first time I've seen your face. Are you a traveller?
DON'T TALK BACK.
SHOW US EVERYTHING YOU'VE GOT!!



We are checking out all strangers because there is a rumour that an Angyo Onshi will appear in this area.
Don't mistake us as one of those scum. We are guards for the lord who rules this area.

What are you talking about, we're just going to check!!
Are you thieves?! Please don't kill me...

First of all, you, Ninno

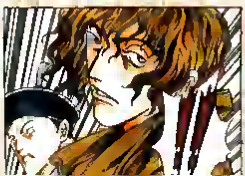


Yes, we must capture him before he does anything. Search her.

Angyo Onshi?!

カン

O-Over there!
Are you mocking us?



!?
Get out of this village!
Scoundrels!
Don't ignore me!
What are you waiting for? Search her

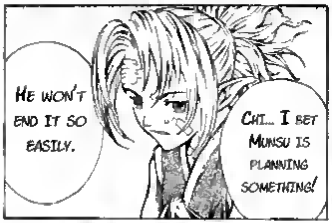
Think about your own situation first. Don't interfere!
Don't make me laugh.
Please let her go!
Wait, please!
It should be worth well over 500 Nyan.
This is my family's heirloom with my family crest.

I'm Lolo. You didn't have to do that, Traveller-san.



He won't end it so easily.
Chi... I bet Munsu is planning something!

It could have been worse though We were lucky to escape like we did
Hahaha. They would have taken it anyway when they searched me.

I see...

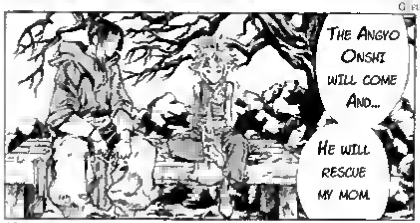
The guy who shot me. Recently, he became one of the guards for the lord.
Munsu?

The village headwoman, my mother, was taken away because she tried to stop them...
He set the village on fire and kicked people out of the village. Just because they couldn't pay the increased taxes

They did that just because the people couldn't pay their taxes...
Seems like the true characters of the local officials have come out after the country's ruin...
Really, I'm waiting for the Angyo Onshi!
There's a rumor that he will come here.
So that's why you're fighting against them...
Fo... your mother.
That too but...
But didn't they disappear after Jushin was destroyed..
Angyo Onshi... The men back there were saying something like that too
Angyo Onshi still exist!!

Some time ago, an Angyo Onshi disguised as a traveller appeared in the north!
Your voice is loud.
I know Angyo Onshi still exist!!

Just a single command from the Angyo Onshi and the soldiers captured the lord and all his soldiers!
After he flashed the Mahai medallion that can only belong to an Angyo Onshi, thousands of soldiers appeared!



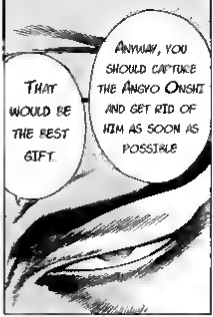
The Angyo Onshi will come and...
He will rescue my mom.

Huh!?
Actually, you're a traveller too aren't you?

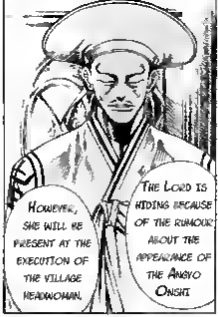
So Angyo Onshi must exist
Yeah, in troubled times, there will always emerge a hero.

Before he appears, the Angyo Onshi always sends a Gofu*...
Because the Gofu signals that the Angyo Onshi is going to appear, all the lords who saw it got scared!

Hahaha
Whose fault do you think it is that I don't have anything of value?
Anyway...
A person who looks weak like you can't be an Ansyo Onshi.
Heh you don't have anything of value not even a Mahat And no money too...
Let me search you.
Whaa! What are you doing?!
What is the Lord here like?
I want to know,
No.
Has the Lord returned yet?
Chi! I haven't even seen her face yet...
And I even prepared a gift as a greeting.



That would be the best gift.
Anyway, you should capture the Angyo Onshi and get rid of him as soon as possible



However, she will be present at the execution of the village headwoman.
The Lord is hiding because of the rumour about the appearance of the Angyo Onshi

What scary eyes he has.
Hm
Hm
Chi... That fucker.

12

Uh?

They welcomed me well back then but now they treat me like a dog.
I've been here for a month and I still haven't met the Lord yet...
Shit
Hm
Hm

Kyaa

WE WERE GOING TO HAVE SOME FUN UNTIL THEN...
SHE'S GOING TO BE EXECUTED ANYWAY SO,
OOOO, THE VILLAGE HE/DWOMAN
WHAT ARE YOU DOING?
AH! MUNSU-SAMA...
GET OUT NOW!
THERE IS A THING CALLED A "PECKING ORDER" IN THIS WORLD.
HUH?
YOU GUYS GET OUT!
13
NOW, I'LL PLAY WITH YOU...
INSTEAD OF HER.
YOUR DAUGHTER OWES ME SOME PAYBACK...
OH, YEAH...

KYAAAAA

YOU CALLED?

...TOMORROW, WE WILL BEGIN.

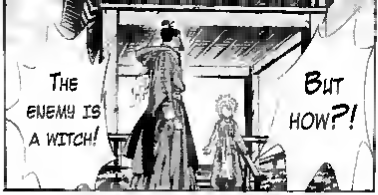
OH, AND ALSO...
I UNDERSTAND.

THERE IS NO REASON TO WAIT ANY LONGER.
IT'S ALRIGHT NOW.

HE'S GONE.
I UNDERSTAND.
LET EVERYONE KNOW.
TELL THEM NOT TO DO ANYTHING UNTIL I GIVE THE SIGNAL.
I CAN'T WAIT UNTIL TOMORROW
I WONDER WHAT HER FACE WILL LOOK LIKE?
IT'S AN EMERGENCY!
TRAVELLER-SAN!
TRAVELLER-SAN!
TRAVELLER-SAN!
WHAT'S THE MATTER?
HA
HA

GOING TO BE EXECUTED TODAY!
THE VILLAGE HEAD-WOMAN... MY MOM IS
HE DOES EXIST, DOESN'T HE?! TRAVELLER-SAN?!
THE ANGYO ONSHI EXISTS! DOESN'T HE?!
WHY HASN'T THE ANGYO ONSHI COME YET!?
WHAT SHALL I DO!?
THERE'S A RUMOR IN TOWN THAT THE EXECUTION IS GOING TO TAKE PLACE THIS AFTERNOON!
IS THAT TRUE?
WHY... HASN'T HE APPEARED?!
BUT WHY...

Don't give up until the end.
Your mother is still alive.
Even if the Angyo Onshi doesn't exist,
If you don't give up, there is still hope.
We can rescue your mother.
Huh?
Let's go!



THE ENEMY IS A WITCH!
BUT HOW?!

COME ON, LET'S RESCUE HER QUICKLY!
SHOW ME THE WAY!

THE LORD IS A WITCH?
A WITCH?
HUH...

YES, SHE USES ALL KINDS OF SPELLS!
AND TWO OF HER GUARDS HAVE DESTROYED AN ARMY OF A FEW THOUSAND SOLDIERS BEFORE ALL BY THEMSELVES...
DON'T WORRY.

IF WE HAVE THE COURAGE TO TRY AND RESCUE YOUR MOTHER..
THAT'S ALL WE NEED!
WE HAVE YOUR LOOP AS WELL.

TRAVELLER-SAN?!

YES, WE'VE CHECKED ALL THE TRAVELLERS.
THE RUMOR ABOUT THE APPEARANCE IN THE NORTH WAS FALSE TOO.

AND...
SO THE ANGYO ONSHI IS JUST A RUMOR?

WE KNOW.

ANYWAY, THE ACTUAL EXISTENCE OF THE ANGYO ONSHI IS UNLIKELY
JUSHIN HAS BEEN DESTROYED, SO HOW COULD ONE STILL BE AROUND?

IF YOU KNEW, WHY THE HELL DID I HAVE TO DO ALL THAT WORK?!
THAT'S WHY WE ARE GOING TO HOLD THE EXECUTION TODAY.
WE KNEW FROM THE BEGINNING THAT THERE WAS NO ANGYO ONSHI

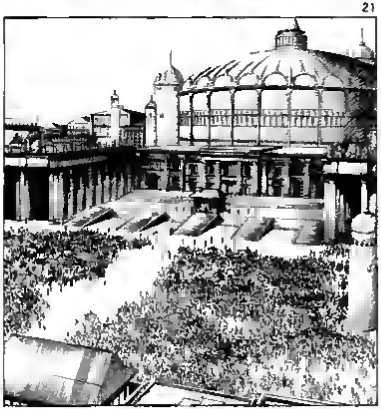
THEN SHOW THEM THAT THE ANGYO ONSHI DOESN'T EXIST AND CRUSH THEIR HOPES
TO MAKE THE PEOPLE HAVE HOPE,
IT WAS THE LORD'S IDEA.
HAHA...
THAT'S GREAT!
IT'S A PLAN TO COMPLETELY DESTROY THE PEOPLE'S WILL TO RESIST
THE MORE THEY HOPE, THE BIGGER THEIR DISAP-POINTMENT
OK!
LET'S GIVE HER A BIG WELCOME
HURRY WITH THE PREPARA-TIONS FOR THE EXECUTION, THE LORD WILL COME BACK SOON.
20
The Lord is back!
Everyone stand back!

The Lord is here!!
Stand back!

Let's go to the execution stage!

Finally.

What are we going to do?
The Lord is back from her journey



THERE WAS A FOOLISH VILLAGER WHO DISOBEYED.
REGRETTABLY, HOWEVER, WITHOUT REALIZING THAT THIS DECISION WAS FOR THE PEOPLE,
THEY USED IT ALL ON THEIR EXPENSIVE CASTLE
DON'T MAKE ME LAUGH!
SHHH
AND IN ORDER TO RESTORE THE PUBLIC SAFETY AS WELL AS THE ECONOMY, WE HAD NO OTHER CHOICE BUT TO INCREASE THE TAX IN THIS AREA!
EVERYONE LISTEN! THE COUNTRY THAT WE WERE DEPENDENT ON HAS BEEN DESTROYED,

BRING FORTH THE CRIMINAL!
WE HAD NO OTHER CHOICE BUT TO PUNISH THE VILLAGE AND AT THE SAME TIME,
U...
EXECUTE THE FOOLISH VILLAGE HEADWOMAN TODAY!

MOM !!
LOOKS LIKE SHE'S BEEN RAPED
THAT WOMAN IS THE VILLAGE LEADER?
DAMN UNFORGIVABLE...

That's right! It doesn't matter if the Angyo Onshi doesn't exist!!
I won't give up until the end!!

I see.
Is this part of the Lord's plan?
Seems like she is the village headwoman's daughter.
Who is she?

She shall be executed along with the village headwoman!
Bring her here!

Catch her quickly!
We've got her!

カタカタ
OOO

I can't stop...
I can't stop crying.

This is...
The end..

Who are you?!

Didn't I tell you...
Not to give up until the end.
You have tried very hard up 'til now...
I'm impressed!

Look at her properly, maybe...
Wait...!

Who is she?!
What is she going to do...

What does that mean?!
Get out of here fast, alone you can't...

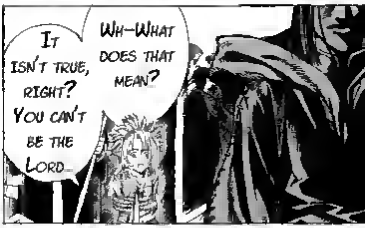
THE ANGYO ONSHI!!
TRAVELLER-SAN?!
Ah, there you are!!
ARE YOU?!

!
I WAS SURPRISED WHEN YOU GAVE ME YOUR FAMILY'S HEIRLOOM TO DIFFUSE THAT SITUATION THE OTHER DAY.
FORGIVE MY RUDENESS THE OTHER DAY.

WHEN I SAW THE PATTERN ON THE GOLD INGOT, I THOUGHT I HAD SEEN IT SOMEWHERE BEFORE...
BUT I DIDN'T REALIZE...
WHAT IS MARKO UP TO...?
I SHALL RETURN IT TO YOU.
HERE IT IS.

WELCOME BACK FROM YOUR JOURNEY,
MY LORD!
IT WAS
OUR CASTLE'S SYMBOL...

I TOLD YOU...
DON'T GIVE UP UNTIL THE END...



WH-WHAT DOES THAT MEAN?
IT ISN'T TRUE, RIGHT? YOU CAN'T BE THE LORD...

THAT WAY, YOU CAN DIE...
TOTALLY DEVAS-TATED!

I AM NOT THE ANGYO ONSHI
I'M SORRY, KID.
I AM THE WITCH YOU SPOKE OF.
The Lord of the Manor.
I JOURNEYED DISGUISED AS A TRAVELER.
IN ORDER TO GIVE PEOPLE HOPE AND DESPAIR AT THE SAME TIME,

And then pushing them into the pit of despair by showing them the truth. That is what it was for

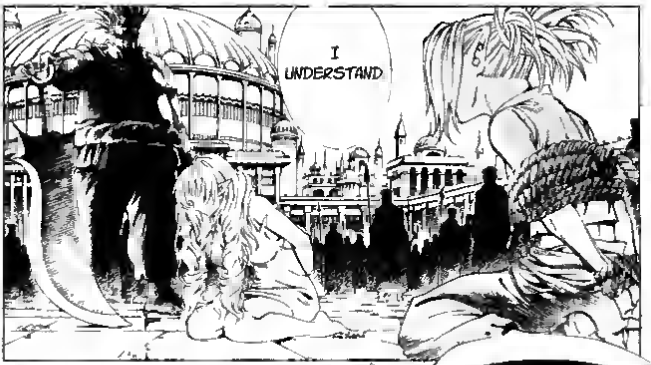
Spreading the false rumor about the Angyo Onshi, giving hope to people and toying with them...

Everyone is shaking in fear aren't they?
Look at the people now.

This is how you...
control humans!

It can't be!
Continue with the execution!
Ah...

PUT THEIR HEADS ON DISPLAY IN THE COUNTYARD
SO THAT THE PEOPLE CAN SEE IT FOR A WHILE.
WELCOME BACK, MY LORD.
YOU MUST BE TIRED FROM YOUR LONG JOURNEY.



I UNDERSTAND

I COULDN'T HELP YOU
SORRY, MOM

DO YOU STILL HAVE HOPE?
FUFU-FUFUFU.

SHE CAN'T SPEAK BECAUSE OF HER TRAUMATIC EXPERIENCE.
THERE'S NO POINT.
...?

I'M JUST CURIOUS.
OI OI, CALM DOWN YOU'RE ABOUT TO DIE.

GET LOST!
I DON'T WANT TO TALK TO YOU.
SPIT

IF A HUMAN, WHO IS ABOUT TO DIE...
IS STUPID ENOUGH TO BELIEVE IN MIRACLES

HOPE, COURAGE- THEY ARE ALL LIES!
NO, THERE ISN'T...

WELL, THAT'S GOOD THEN
EVERYTHING THAT IS ABOUT TO HAPPEN NOW IS ALL COINCIDENCE.
DON'T THINK THAT SOMETHING LIKE THIS WILL EVER HAPPEN AGAIN

DON'T SPREAD EMBARRASSING RUMORS SAYING ANGYO ONSHI ARE HEROES!
A COINCIDENCE LIKE THIS WILL NEVER HAPPEN AGAIN.

THE TIMING WAS GOOD. IT WAS JUST A COINCIDENCE THAT I RESCUED YOU AND YOUR MOTHER
I DIDN'T DO IT FOR YOU.

GOOD OR BAD,
I WILL DESTROY ALL WHO PISS ME OFF...

HAVE YOU FORGOTTEN THAT I SET FIRE TO THE VILLAGE!?
I'M NOT JOKING KID!

HE'S DEAD NOW THOUGH...

Take care of your mother.
Yes, Onshi-sama!!
This guy is...
Trying to be evil on purpose...
Okay, I'm off now.
Oh, Miss Village Headwoman!
That night we spent together in the prison...
Really was excellent.

TO ENJOY *SHIN ANGYO ONSHI* MORE THOROUGHLY.

Text by YOUN IN-WAN

No. 1 ANGYO ONSHI

So what are Angyo Onshi? Five hundred years ago in the Korean Peninsula, they were real-life government secret agents. In Hangul they were called "Amenosa." Reporting directly to the Emperor, Angyo Onshi disguised themselves and roamed the countryside collecting information on civilian life. If they met bad or corrupted local officials, they would discipline them and save the people. In other words, in the minds of the public, they were real heroes. In Korea, the story of Angyo Onshi is well known to everyone. They have been the inspiration for numerous movies and serials. Even now, the Korean government still has a form of Angyo Onshi with the Board of Investigation. But, unlike Angyo Onshi, they no longer hide their identities and live in secrecy. (smile)

In our story, the horse medallions of the Angyo Onshi can call forth phantom soldiers. But, in reality, the medallions merely enabled the agents to borrow horses from villages. A one-horse medallion meant one horse and a three-horse medallion meant three horses. The higher the rank of the Angyo Onshi, the more horses he could borrow, because the number of horses meant that Angyo Onshi had many subordinates and the number of soldiers he could mobilize would be more.

When talking to my editor about using the story of Angyo Onshi, we were a bit worried. Because Angyo Onshi only existed in Korea, would the idea be too foreign for Japanese readers? Afterwards, when I found out that Japan had something similar to Angyo Onshi called Mito Koumon, I was relieved and, at the same time, surprised. It turns out that there are many places in the world that had positions (or stories of) something similar to Angyo Onshi. I think this phenomenon is because good and evil don't differentiate between countries, races and cultures. Of course, this is the same in the world of Shin Angyo Onshi. No matter who has committed a wrong, our Angyo Onshi will loudly yell, "Shin Angyo Onshi no Odemashi da!!" and deliver the public from despair.

We decided to use the Korean pronunciations for the names of Chun Hyang and Mong Ryong.

No. 2 CHUN HYANG DEN (THE LEGEND OF CHUN HYANG)

So, what is *Chun Hyang Den*? It is a famous classical Korean short novel that the Angyo Onshi appears in. It can be said to be the story that most clearly and easily shows the actions of the Angyo Onshi. It seems *Chun Hyang Den* is also quite popular in China and Japan as well. (In Japan, CLAMP has issued a manga based on *Chun Hyang Den*).

I will briefly explain the story of *Chun Hyang Den*. Son Chun Hyang, whose mother was a courtesan, falls in love with a man named In Mong Ryong, the son of a nobleman. However, because of the difference in social standing between them, their love was a problem. During this time, according to the custom and ways of a Korean nobleman, Mong Ryong leaves for the city to take the government exams. He promises Chun Hyang he will return no matter what. A new lord appears in Chun Hyang's village named Bun Haku Dou. Taken by Chun Hyang's beauty, he tries to make her his own. Chun Hyang declines his offer saying there is someone she loves. But because Bun is a corrupt lord, he kidnaps Chun Hyang and tortures her and tries to force her to acknowledge him. But Chun Hyang does not bend. Finally Bun comes to the point where he decided to kill Chun Hyang for her continued defiance. On the day Chun Hyang's execution is to take place, as Chun Hyang faces death, Mong Ryong suddenly appears, showing the medallion of the Angyo Onshi and declaring, "The Angyo Onshi is before you!". Arresting Bun, Mong Ryong, now an Angyo Onshi, lives happily ever after with Chun Hyang. And that is the well-known story of *Chun Hyang Den* in Korea.

After reading the classic "*Shin Chun Hyang Den*" some people might wonder why I changed such a beautiful story into such a dark one. I've been told I have bad taste from some of the Korean people who know the story of *Chun Hyang Den* very well (laugh). However, the story I used in the brief summary is actually the children's version of the old short novel. In the original novel, the Angyo Onshi Mong Ryong returns to the city as the husband to another woman. After realizing this, Chun Hyang commits suicide at the end of the story... Even among Korean people, there are not many who know about the true original version of the *Chun Hyang Den*. I did not know about it until recently as well. Instead of just taking the beauty of the original old novel, I wanted to try and show the main message of the story and arrange it to fit modern themes. I did this because I believe this is the way to properly arrange the original old novel.

Alright!! Panda-CAT's note time again ^__^ Many people are confused about the origin of Shin Angyo Onshi. We use a mix of Japanese and Korean in our translations.
The names are in Korean while other things, such as the series catch phrase "Angyo Onshi no Odemashi Da!" ("The Angyo Onshi are before you!") is in Japanese. So, in what language is Shin Angyo Onshi originally published?

The answer is like this. The mangakas works off a Korean script written by Youn In-Wan but the final product is then translated into Japanese and published in Japanese in Sunday GX. So with hngo.net translations into English, the manga goes from Korean to Japanese to English. It is quite a unique situation. In translating, hngo.net picks and chooses what sounds the best in English. "Angyo Onshi no Odemashi Da" sounds much cooler than the literal "The Angyo Onshi are before you!" and to keep the authenticity of the folklore on which Shin Angyo Onshi is based, we keep the Korean names.
Phew. hope that clears things up.

Kou Rei Sou Funeral

A long, long time ago,
In the East, there was a country called Jushin.
In Jushin, there lived secret agents known as "Angyo Onshi."
Angyo Onshi were special envoys designated by the King. They disguised themselves and roamed the country correcting corrupt governments and brought justice to the people.

But there is still one Angyo Onshi wandering.

However, Jushin has now been destroyed...
A "Mito Koumon" of Jushin, so to speak.

Oi oi, don't misunderstand this.

I was only trying to catch rabbits... I absolutely had no intention of harming your child!

There, I'll give it back to you.

It's only pretending to be dead... don't glare at me like that.

SFX: DONG

WOAH!

Kids are annoying anyway! They'll ditch you after you bring them up!

Y-you! Calm down! take it easy!

SFX: WOOHHHHHHHHH

HERE, TAKE IT!
SFX: THROWS

Because of my sickness, I was forced to borrow your power.
But when it heals, we must part.
I hate to be bothered.
Didn't I tell you when we left your village? You have to do whatever I say!
The type of Sando I said I wanted is a servant, not a bodyguard...
Don't get me wrong, I'm not Mong Ryong!
I'm not your dead lover!
I let you travel with me for my own advantage.
I have no intention of inheriting his final wish!

...only because my hair was in the way. There's no other meaning.
I used Mong Ryong's hair and..

I DON'T WANT TO SEE YOU AGAIN!
GET LOST!
you too!

AHH...
AH.....
I WON'T BOTHER YOU...
I'M SORRY...
PI-I~
THIS IS TOO TIRING.
MONG RYONG, YOU BASTARD...
LET ME STAY WITH YOU..
PLEASE

And like I said before, be careful of your surroundings.
Don't ever do anything before I tell you to!
Even if I'm in danger, don't come out unless I call for you!
I have to say this.
Alright But...
Good.
If you disobey again, be prepared for the consequences, understand?
It's coming from up there
What's that scent?!
It's a rather
familiar scent.

So...
It's this scent...

So many corpses in one place... Was it a sudden attack?
But the bodies have decomposed so much... Can't even tell how they died.

HOW DID YOU DIE?
YOU OLD BABA!

WHO ARE YOU?

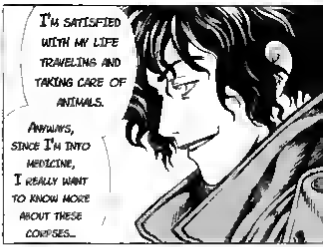
I ONLY CAME TO MEET SOMEONE.
I... I DON'T KNOW ANY-THING.

IT'S NONE OF YOUR BUSINESS.
SOME-ONE? WHO?

Looks like a bunch of garbage randomly thrown away...
Then what about that mountain overflowing with corpses?
Hmm, is that so?
Some of the corpses had missing innards and brains, some had distorted hands and legs.
First, the corpses wear the same type of clothes as you... as if they are from the same tribe..
There are three things I'm curious about.
Second, there are physical damages on the bodies.
15
Pi Pi
Who are you really?!
And third...
Well, there are many beasts around. Maybe those beasts ate their body parts.

YEAH, A WANDERING VETERINARIAN...
THIS IS A DESERT BAT. HE KEEPS FOLLOWING ME AROUND AFTER I TOOK CARE OF HIS WOUNDS...
A VETERI-NARIAN, I GUESS.
VETERI-NARIAN?

IF YOU WALK A LITTLE FURTHER FROM HERE THERE'LL BE MORE PEOPLE FROM MY TRIBE.



I'M SATISFIED WITH MY LIFE TRAVELING AND TAKING CARE OF ANIMALS.
ANYWAYS, SINCE I'M INTO MEDICINE, I REALLY WANT TO KNOW MORE ABOUT THESE CORPSES...

HOW ABOUT IT?
IT'S EXTREMELY COLD AT NIGHT IN THE MOUNTAINS. WANT TO COME FOR A DRINK AND TALK?

IT WAS ABOUT TEN DAYS AGO...

SFX KUAHHHHHHH

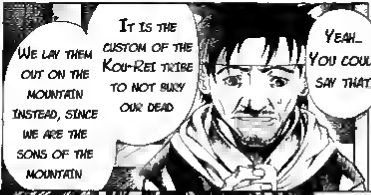
It was like a nightmare.....

The monster killed people on sight and destroyed many houses. It was like hell...
Of the original hundred or so villagers, over half were killed that night....

...ABOUT TWELVE VILLAGERS STILL ALIVE.
NOW, THERE ARE ONLY FOUR HOUSES AND...

IT'S OUR TRIBE'S NAME... IT MEANS "SONS OF THE GREAT MOUNTAIN"
KOU-REI?

THEN ALL THE CORPSES ON THAT MOUNTAIN WERE THE MONSTER'S DOING?



WE LAY THEM OUT ON THE MOUNTAIN INSTEAD, SINCE WE ARE THE SONS OF THE MOUNTAIN
IT IS THE CUSTOM OF THE KOU-REI TRIBE TO NOT BURY OUR DEAD
YEAH... YOU COULD SAY THAT.

THAT'S THE ONLY THING WE CAN DO. THAT MONSTER MIGHT REAPPEAR.
I ALSO KNOW THE DIRECTIONS TO THE CAPITAL.
OF COURSE... I'M FROM THE CAPITAL.
ARE YOU SERIOUS?!
WHEN I FIRST MET YOU I WAS WAITING FOR HIM.
WE'LL ASK HIM FOR DIRECTIONS. HE SHOULD BE HERE SOON.

AND SOMEONE PLANNED THINGS WELL ENOUGH TO MAKE IT SEEM REAL.
DON'T MAKE ME LAUGH. THEY WERE SIMPLY KILLED BY NORMAL BEASTS...
THE MONSTER KILLED ALL THOSE PEOPLE, YOU SAY?

WHAT?!

YOU'RE THE ONES WHO KILLED ALL THOSE PEOPLE!
YOU'RE THE REAL MURDERERS!

FIRST, THEY WEAR THE SAME CLOTHES AS YOU... SECOND, ALL OF THEM HAVE DEEP PHYSICAL WOUNDS...
I HAVE SAID THAT THERE ARE THREE SIMILARITIES BETWEEN THOSE CORPSES.

ARE ALL OLD PEOPLE!
THE DEAD...
AND THIRD...

Those old people all died there.
And were eaten alive by the mountain beasts..
Careful observation reveals the truth
The gestures of the corpses and the place they died
Tell me they weren't moved post-mortem.

Seems like you've misunderstood everything. There's no reason for us to do that.

Even a cold-hearted person like me would feel bad and be bothered.
No matter how strong you are, clever villains can always stab you in the back.
A pure heart will be eliminated mercilessly in this world. That's why
In this chaotic world, the ugliness hidden within the human heart enables them to kill other innocent beings, even their parents...

No. 3 **The Kou-Rei Funeral**

What is "Kou-Rei Funeral"? It's completely fictional. There is a model, however. In the Kou-Rai Era, there was actually a custom called "Kou-Rai Funeral" (I made it a small village custom in the plot). It states that children can abandon their parents on the mountain if they become old and ill.

Korea is said to have the most manners in Asia. As children, Koreans are strictly taught to respect elders. Even now, youths are expected to wait for elders to eat first during any meal. When dining with people from the editorial department, they were greatly impressed when they saw us act this way.
(Though I don't really do that at home nowadays, haha.)

Because of the above fact, I was very shocked when I heard about the "Kou-Rai Funeral." And I was even more surprised when I found out about a similar practice (*editor's note: please refer to "The Moutain of Abandance"*) in Japanese history. How these customs started is unknown, but it's definitely a terrible act.
That's how I came up with the plot for the third chapter. And the conversation between the mother and the son in the last scene was based on another old Korean tale.
